INTRODUCTION

This authorisation is granted on the basis of the details contained within the application to the Council dated 11th January 1994. Any changes to these details shall be notified in writing to the Council and shall not be implemented without the written approval of the Council.

This Authorisation is given in relation to the requirements of Part I of the Environmental Protection Act 1990. It must not be taken to replace any responsibilities you may have under workplace Health & Safety legislation.

The process shall be upgraded fully in accordance with the requirements of the Secretary of State's Guidance Note PG2/1(04) to be met by 1st October 2005.
